

### Out-of-Doors Christmas Displays To Be Featured Again This Year

Every community in Los Angeles county will again be urged to participate this year in "out-of-doors Christmas displays" during the coming Christmas season, through the planning and illustration of out-of-door trees, according to a program set under way by a committee organized by the Los Angeles Chamber of Commerce.

Harry Johnston will serve as secretary of the committee. The committee will hold the annual "out-of-doors Christmas displays" contest, which is one of the principal features of the "out-of-doors Christmas displays" program. The contest is the first of its kind in the county and the committee is confident that every city in the county will be interested in participating in the contest.
